

PROGRAMME

Welcome to the **36th International Congress on Social and Environmental Accounting Research**, and **13th Emerging Scholars Colloquium!**

Below is a brief snapshot of the key events of the conference, followed by detailed information about parallel sessions.

(i) The **13th Emerging Scholars Colloquium** will be held on **Monday, 8th June**.

This day has been organized by Mercy Denedo, Nicole Holden, Hannele Mäkelä and Hendrik Vollmer. The aim of the colloquium is to provide an opportunity for emerging scholars in social and environmental accounting to present and discuss their research projects alongside a cohort of distinguished international faculty. This year's Emerging Scholars Colloquium is sponsored by *Accounting Forum*; and the *Erivan K. Haub Chair in Business & Sustainability in the Schulich School of Business at York University, Canada* with additional support from *CSEAR*.

(ii) The **CSEAR Education Community of Practice (ECoP)** will host an in-person workshop on **Monday, 8th June** on the theme of “Deepening learning through games and place in sustainability accounting education”.

ECoP Coordinators, Caroline Linhares, Michelle Rodrigue and Shona Russell, are delighted to welcome Nina V. Nygren (Häme University of Applied Sciences), Ville Kankainen (Tampere University), Daniel Fernández Galeote (Tampere University), Leland Masek (Tampere University), David Derichs (Aalto University) and Nick McGuigan (Monash Business School) to join us for an experiential workshop, in which we will explore the role of play, games and place in sustainability education.

(iii) The **International Congress** will open on **Tuesday, 9th June at 9 am** in the Vainö Linna -Sali (K104), located on the lower floor of the Linna building.

The conference organisers at Tampere University will together with CSEAR Chairs and Co-Directors welcome delegates to the conference before the first of the parallel sessions. Presentations of full papers and work in progress will vary from those which are well developed to fledgling pieces of work in a friendly and

constructive setting. Given this, the sessions are intended to provide interactions between the paper presenter and the group participants. Due to space constraints, only presenting authors are shown in the programme. We encourage delegates to stay in the same session to avoid disruption during the parallel sessions.

There are seven parallel paper sessions over the conference. These sessions will be held at the ground floor of the Linna building (rooms 103, 108, 109, 110 and 113).

- (iv) We are delighted to welcome our **Keynote Speaker Giovanna Michelon**, Professor of Accounting at the University of Padova, Italy, to the International Congress. Her presentation 'Sustainability reporting: where do we stand and what did we lose along the way?' will be on **Tuesday, 9th June at 13:45**.

This Plenary is sponsored by the *Social and Environmental Accountability Journal* and will be chaired by Oana Apostol and Leonardo Rinaldi.

The Plenary is preceded by the **Awards Ceremony** in recognition of the best full papers submitted to the Conference and to the Emerging Scholars Colloquium. Thanks to *AICPA & CIMA* for sponsoring the 2026 Best Paper Awards. Colin Dey, a member of this year's Awards Committee, will present the awards.

- (v) On **Wednesday, 10th June at 13:45**, there will be a **Practitioners' Forum** on the topic of 'Counter accounts and public policy: connecting research, advocacy, and decision-making'. The panel will be chaired by Niina Ylönen; Tampere University, with Speakers: Sirpa Pietikäinen, MEP; Heidi Kivekäs, Executive Director, Animalia; Professor Eija Vinnari

This discussion focuses on how information produced by researchers and NGOs can contribute to public policy-making. It will address also broader questions about how sustainability-related information is produced, communicated, and used.

- (vi) We will have a **Conference Closing Session on Thursday, 11th June at 11:30**, which will be followed by a farewell lunch.

- (vii) **Lunches** will be served at Restaurant Myllärit, which is located some 100 meters from the Linna building. **Coffee breaks** will be held at the ground floor of the Linna building, right next to the lecture rooms. Everything offered during lunch and coffee breaks will be vegan.

- (viii) On Tuesday evening our social program includes a **Reception hosted by the City of Tampere**. This will take place at Museum Centre Vapriikki (Alaverstaanraitti 5), next to Tammerkoski Rapids, at 18:30-20:00. Please wear your name tag when entering the reception. Sparkling wine and cocktail bites are served, and it is possible to visit the exhibition “A World Bygone - Tampere in the early 20th century”. Do note that some of the offering is likely to be non-vegetarian. A vegan option should be available for those who have requested it in advance.
- (ix) On Wednesday night, at 18:30-21:30, there will be a **Conference Dinner** at Restaurant Koski, which is located in the city centre. The Dinner will be vegan.

GENERAL INFORMATION

CSEAR Contact Information

The Centre for Social and Environmental Accounting Research, University of St Andrews Business School
The Gateway, The North Haugh,
St. Andrews, Fife KY16 9RJ, Scotland
Tel: +44(0) 1334 462805 Fax: +44 (0) 1334 462812
Email: csear@st-andrews.ac.uk;
<http://www.st-andrews.ac.uk/media/university/maps/wwwmap.pdf>

Organizers at Tampere University

Should delegates need to get in touch with the organizers, please email csear2026@tuni.fi, or alternatively reach out to any of the conference assistants at the venue. For urgent matters, please call: +358 (0)50 318 6010.

Information for PRESENTERS AND CHAIRS

- Paper sessions: each paper has a 30-minute allocation. Presenters should aim to present for up to 20 minutes maximum – and thus leave a reasonable amount of time for discussion. Please respect this time allocation out of respect to other presenters and the audience.
- Session Stream Chairs will be advised to keep presenters to this time.
- While abstracts will be made available on the conference website, we encourage people to make direct contact with the authors to get a copy of their work.
- Please note that presenters and speakers will need to use their own laptop. Connection to the room projection system can be made using an HDMI connection. MAC users, please ensure to bring an adapter to connect to the HDMI.
- Once again, please be disciplined but enjoy yourself – and help the audience enjoy it also!

GENERAL NOTICE

CSEAR is dedicated to fostering a safe space for all participants. Whether you are a delegate, speaker, guest, volunteer, or event support staff, you play a vital role in maintaining an inclusive, safe, and harassment-free environment. If, at any point during the conference, you experience or witness inappropriate behaviour, please reach out to a member of the organizing team.

PROGRAMME

Monday 8 th June ESC / ECOP	8:30 – 18:30	Emerging Scholars Colloquium (Linna, lower floor)
	09:00 – 17:00	Education Community of Practice (ECoP) Fringe event (outside of Päättalo (Main Building), room Lyhty)
Tuesday 9 th June (Main conference day 1)	08:30 – 09:00	Registration for the Conference (Linna, lower floor)
	09:00 – 09:30	Welcome and Introduction to the Conference (CSEAR Chairs & Co-Directors) (Linna, Väinö Linna -Sali K104)
	09:30 – 11:00	Parallel Papers Session 1 (Linna, lecture rooms)
	11:00 – 11:30	Coffee Break (Linna, lower floor)
	11:30 – 12:30	Parallel Paper Session 2 (Linna, lecture rooms)
	12:30 – 13.30	Lunch (Restaurant Myllärit)
