AND
TEACHER
EDUCATORS
ACROSS
EUROPE**

Welcome to ENTER Online Seminar 2022!

The ENTER network and Tampere University of Applied Sciences (TAMK) welcome all educators to the online seminar on April 8th 2022, 9–12 AM (CET). The topic of the seminar is **Pedagogical Best Practices: Supporting Student Well-being**.

The webinar includes welcoming words, inspiring keynote speakers, activating presentations, time for reflections and discussion. You may freely participate in the seminar, or share your best practices related to the topic. Presentations cover e.g., the following topics:

- motivation
- resilience and adaptability
- time management
- returning to campus studies
- learning communities
- digitalisation
- internalisation
